The annual midwinter inspection and muster and general get together

social and entertainment given in the parlor of the First Presbyterian church on Thursday evening was a gratifying success to those having the affair in charge. The commodious lecture room and study were filled to overflowing bent on "mixing," "getting together," becoming acquainted with all the strangers or diffident ones present. After some time spent in this pleasant informal way, the program was opened by an entertaining address full of sound sense and witty sayings on "Good Citizenship in General," by Mayor Wise followed by a song by the male chorus. Or if the "worst comes to the worst" will it not be possible to secure the services of a chaperon—or come alone; at any rate you are all expected to be there, and the young ladies will see that you all get to dance.

Many Sleepless Nights, Owing to a Persistent Cough. Relief Found at Last.

"For several winters past my wife has been troubled with a most persistent and disagreeable cough, which invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Hayner, editor of the Burley, Colo., Bulletin.

"Various remedies were tried each year, with no beneficial results. In November last the cough again put in an appearance and my wife, acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was indeed marvelous. After three doses the cough entirely disappeared and has not manifested itself since." This remedy is for sale by Frank Hart and leading druggists.

Sallowness Transformed to Dusky Beauty

A dark skin becomes fascinating when delicately soft, underpinned with the radiant glow which indicates a healthy, active skin. Robertine keeps the skin refined in quality, keeps pores free from clogging waste and stimulates the tiny capillaries to contribute the color which charms in blonde and brunette alike. Robertine is certain protection against tan, sunburn and freckles if applied before exposure to sun or wind.
